

Specifications

Model	VGN-UX57GN/L
Platform	Intel® Centrino® Processor Technology • Intel® Core™2 Solo Processor U2200(1.20GHz)*1-2 • Intel® PRO/Wireless 3945ABG Network Connection • Mobile Intel® 945GMS Express Chipset
Operating System	Genuine Windows Vista® Business (English version) with Traditional Chinese Language Pack
Processor System Bus	533MHz
Memory Bus	400MHz
Cache Memory	1MB
Main Memory	Pre-installed (Max) 1GB DDR2 SDRAM (on board)*3
Hard Disk Drive	40GB*4 (Ultra ATA/100, 4200rpm)
Graphics Accelerator	Intel® Graphics Media Accelerator 950
Total Available Graphics Memory (Max)*5	251MB
Display	4.5" Wide (WSVGA:1024 x 600) TFT colour display (Clear Bright LCD: White LED)
Interfaces	USB High Speed USB 2.0 x 1
	Headphone Stereo mini jack x 1
	Microphone Stereo mini jack x 1
	Memory Stick Slot Memory Stick Duo Slot (MagicGate compatible, Memory Stick PRO Duo compatible, High-speed data transfer compatible)*6
	CompactFlash Slot x 1
Wireless Connection	DC IN x 1
	Others I/O Connector x 1
	Wireless LAN Integrated Wireless LAN IEEE 802.11a/b/g*7 • Intel® PRO/Wireless 3945ABG Network Connection • Maximum data rate: 11Mbps (802.11b)/54Mbps (802.11a/g)*8 • Frequency: 5GHz (802.11a), 2.4GHz (802.11b/g)
	Bluetooth Bluetooth standard Ver. 2.0+EDR
Compatible Memory Cards	Memory Stick Duo (MagicGate compatible, Memory Stick PRO Duo compatible, High-speed data transfer compatible), CompactFlash
Fingerprint Sensor	x 1
Camera	Front side: Effective Pixels: 640x480 Back side: Effective Pixels: 1280x1024
Audio	Intel® High Definition Audio compatible • 3D audio (Direct Sound 3D support) • Built-in monaural speaker • Built-in monaural microphone
Keyboard/Input/Pointing Device	• 64 keys • Touch Panel*9 • Multi-pointer • Stylus
Battery Life*10	Bundled Battery VGP-BPS6 Lithium-ion battery: up to 3 hours of use
	Optional Long Battery VGP-BPL6 Lithium-ion battery: up to 6.5 hours of use
Dimensions (W x H x D)	150.2 x 95-100.5 x 32.2-38.2mm
Weight	520g (including the supplied battery)
Software Applications	• Video Edit/Playback: VAO Movie Story 1.0, VAO Content Importer/Exporter 1.2, WinDVD for VAO 8.0 • Music: VAO MusicBox 1.0 • Still Image/Photo: Windows® Photo Gallery, Picasa™ • Home Network: VAO Media 6.1 • Tool: Roxio Easy Media Creator 9.0, Adobe® Reader® 8.1, Norton Internet Security™ 2007*11 • Utilities: VAO Control Center 2.1, VAO Camera Utility 2.1, VAO Camera Capture Utility 2.6, Setting Utility Series 3.0, Protector Suite QL 5.6, VAO Touch Launcher 1.1 • Support: VAO Recovery Center 1.1, VAO Data Restore Tool 1.0, VAO Update 3.0
Supplied Accessories	• AC adaptor (VGP-AC16V7) • Carrying Pouch (for Main Unit) • Display/LAN Adaptor • Stylus • Lithium-ion battery (VGP-BPS6)*12 • Port Replicator • Strap • Folding Stand • Adaptor Holding Band • Spare cap for the Multi-pointer (x 2)
Warranty	One year*13

Supplied Accessories	
Port Replicator	USB 2.0 x 3 • iLINK (IEEE 1394) S400 (4pin) • Network (RJ-45) connector (100BASE-TX/10 BASE-T) • AV Out Connector (NTSC/PAL compatible) • Monitor connector (Analogue RGB, Mini D-SUB 15pin) • DC IN connector
Display/LAN Adaptor	AV Out Connector (NTSC/PAL compatible) • Monitor Connector (Analogue RGB, Mini D-SUB 15pin) • Network (RJ-45) connector (100BASE-TX/10BASE-T)

Features and specifications are subject to change without notice.

*1 CPU speed will be reduced under certain operating conditions. *2 Intel® Virtualization Technology is not supported on VAO. *3 Cannot be upgraded on board. The memory capacity actually available may be smaller than the one displayed depending on the software in use and operating environment. *4 GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition. *5 Total Available Graphics Memory refers to the new Windows Vista® classification of graphics memory, which is the total of Dedicated Video Memory, System Video Memory and Shared System Memory. *6 Compatibility confirmed with Sony branded "Memory Stick" media only. *7 The maximum communication distance can vary depending on the obstacles or the distance between the communication devices, the radio waves, the operating system or the software being used. *8 The communication speed varies depending on the distance between communication devices, existence of obstacles between such devices, the device configuration, the radio conditions, and the software in use. In addition, communication may be cut off depending on the radio conditions. *9 The tablet function of Windows Vista® is not supported. *10 Estimated battery life (under JEITA Battery Run Time Measurement Method (ver.1.0).) Actual battery life may vary with different operating conditions and settings. For further details, please visit vaio-online.sony.com *11 Free use of 90 days. Further update will be charged. *12 This product may only function with a genuine Sony battery designed for this model. *13 Warranty conditions may vary by region.

VAIO
no more bounds

You always strive to be your best, whether it's about your career or a leisure activity. VAIO UX is the multimedia companion and full-fledged computer that's always by your side, ready for action in every way you want. Log-in quickly with Fingerprint Recognition, and you're ready to roll – surf the Net or video chat if you're in a hotspot, take snapshots or video clips, listen to music, or use a variety of powerful Windows Vista® Business compatible applications. All in a size that fits your bag, coat pocket, and active lifestyle, with a Royal Blue exterior that stylishly accentuates your zest for life.

The ultraportable PC that's all ways your personal best.

So many ways to use and enjoy.

Vertical Style

Great for viewing Web pages. You can freely rotate the screen into a vertical orientation with automatic resizing so you won't have to scroll sideways to see the whole page.

Camera Style ▶

Video chat, take snapshots or record video clips. With MOTION EYE cameras on both sides of the unit, you can easily shoot a subject or yourself.

Keyboard Style ▶

Just slide the LCD screen up to access the built-in keyboard anytime you need to type email messages, reports or update a blog.

◀ Grip Style

Use the handy thumb-operated side buttons and Multi-pointer for cursor control and zooming, no mouse required. VAIO UX isn't choosy about where you use it.

◀ Writing Style

Use the stylus to draw a quick diagram or jot down memos with the pre-installed Penplus for VAIO.* The stylus stores conveniently in the rear of the VAIO UX.

*The tablet function of Windows Vista® is not supported.

Music playback

Enjoy the VAIO UX as a portable music player using the supplied carrying pouch and optional headphones. VAIO UX supports various applications for MP3 and ATRAC playback so you can travel with your favourite tunes. Internet audio publishing and Internet radio are also supported so your music can come from clear around the world in addition to what's stored on the hard drive.

Connect to a projector

Connect VAIO UX to an AV projector using the supplied Display/LAN Adapter or Port Replicator and your photos and presentation slides can be shown to large audiences. VAIO UX automatically selects the proper aspect ratio and resolution to match the projector so all you do is 'Plug & Display'. Just imagine – a multimedia presentation in a package not much bigger than a paperback novel.

Video chat with stand

VAIO UX comes with a stand that easily attaches to the back of the unit so you can prop it up for a video chat session. This way you can keep your eyes on the screen while keeping your hands free. And with built-in IEEE 802.11a/b/g and Bluetooth® compatibility, you'll have access to a wide range of wireless networks for video chatting, VoIP telephony and other applications.

Recommended headset

Sony Ericsson HBH-PV705
*Availability depends on region.

Other features

- Fingerprint Recognition for quick, one-step log-in.
- VAIO HDD Protection to safeguard your data.
- Optional long-life battery to double your usage time.
